

DIAMOND POLISHING PRODUCTS

NORTON'S NEW LINE OF CONCRETE POLISHING PRODUCTS ARE ENGINEERED TO GET THE BEST RESULTS WITHOUT COMPROMISING QUALITY AND FINISH.

Norton offers a full line of metal bonded diamond tools for grinding and flattening any hardness of concrete. The tools have been designed to work together with the Norton Resin polishing tools to give the finest polished surface possible with maximum tool life.

Norton offers a full line of diamond polishing tools. Our line has both the standard and a premium level of polishing products.

The new Norton Floor Maintenance pads offer a variety of uses on concrete and natural stone floors. From deep cleaning to regular maintenance cleaning these pads are the answer to your floor finishing issues.
